

Our Focus

Consultation

Developing and engaging SSW departments and communities in opportunities that enhance campus climate and interpersonal communication.

Training and Professional Development

Training opportunities that empower faculty, staff and students and social workers to enhance learning and self-awareness.

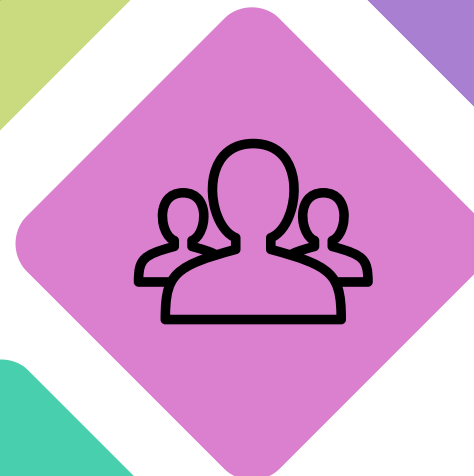

Access & Collaboration

Collaborating to provide resources opportunities for all.

Support and Recognition

Celebrating contributions, promoting appreciation and reinforcing a culture of value and belonging.

Engagement

Strengthening community connectivity and support for students, faculty, and staff as they work toward reaching personal and professional goals.

Strategic Planning

Working collaboratively with SSW units to transform to create goals, objectives, and measurable outcomes.
